

## The Watchman Speaks

Hello everyone! I'm Lonnie Richardson, The Old Watchman. Welcome to "The Watchman Speaks" Facebook Group. This group was initiated by the requests of several friends who asked me to share some of the things I've learned during the process of my studies over the past two and a half to three years.

It's been a journey! I've learned so much and yet, I feel as though I've only scratched the surface! Now, I'm not claiming to be the know all, be all, foremost authority on the topics that I'll be sharing information about. That is not my intent. I do not claim expert status on any topic for that matter. The request made was for me to merely share some of the things that I've learned. Certainly, there will be grace extended for questions to be asked and additional information to be added, and discussed, if you might have any additional information forthcoming.

The three primary topics that I'll be discussing are these:

1. Time – What is time and how did God set time up to be measured. We'll discuss the Sacred Calendar of the Bible. We'll discuss God's Appointed times in the Feasts and seasons. We'll discuss the months and some history associated with the Sacred Calendar. Times of "Rememberance" I'll talk about time, months, seasons, years, and ages. All these things and more will be on the table.
2. The biblical trumpets – I'll discuss the trumpets in the bible. When they were sounded. Why they were sounded. The different types of sounds. Where they were sounded. I'll also be discussing the biblical trumpets from an Old Testament perspective and a New Testament perspective and why I believe that the biblical trumpets will have a profound impact on the end times believer.
3. Ancient Paths – I'll be discussing "Ancient Paths" in the Bible as mentioned by the Prophet Jeremiah in Jeremiah 6:16 where the "good way" is. The ancient paths are instructions and directions in God's Word that lead to the "good way". Yeshua, Jesus, said, "I am the way....". The ancient paths always lead to Adonai, the Father; Yeshua the son, or Ruach ha'Chadesh.

These are the three primary topics that I'll be talking about in this group setting. Initially, I'll address these topics individually but I think that you'll find yourself amazed, as I was, to find how these three topics are woven together in a tight knit fashion that cannot be separated. However, the foundation of understanding individual topics will greatly enhance the overall picture of how these topics interact. It'll seem to be slow going at first. A foundation must be laid and understood. As we progress, you will see how these topics are interwoven in a beautiful exhibition of God's revelation for us all.

We are starting out small with only a handful of people and, that's okay. As of right now there are thirty two of us. That's more than three times as many as I anticipated at first. I expect that the group will grow. All are welcome. However I will issue this one warning in love. This is a forum for teaching, sharing, and learning information pertaining to the above mentioned topics. If you agree with what's being presented, that's great. If you don't agree, that's okay too. You will conduct yourselves in a gentlemanly or ladylike fashion and treat others with love and

respect. Otherwise, you will be REMOVED FROM THIS GROUP with no questions asked. There will be no straying from the topics presented, there will be no personal attacks or name calling, there will be no posting of material that is not in line or conducive to the topics at hand. I cannot research and validate such posts. Above all, I will maintain and preserve my integrity and credibility while maintaining and preserving the intent of this group.

This forum is NOT a declaration or decree upon Covid 19, governmental conspiracies, the evil that we see abounding upon the earth. We ALL should be speaking against those things! What is being presented here, as you will find, is HOW we fight against those things in the proper process and order according to God's Word.

Now, having said that, you have a personal need for prayer please feel free to share it. As well, if you have a testimony regarding something that God has done in your life personally, a praise report, certainly we want to encourage that.

I am The Old Watchman, Ezekiel. My name is Lonnie Richardson. I love God's Word and that is what I will be presenting here. I have studied these topics extensively for three years and covered that study with prayer. I am willing to wager, that very few of you, have ever heard anything presented on these topics as I will present them. Certainly, I have never heard a message preached on these topics in depth nor did I learn anything about these topics while attending seminary. The material that will be presented here was gathered and revealed over a period of three years of study, prayer, and direction of Holy Spirit.

I pray that you all stay the course. I pray that you are all richly blessed as I have been. I look forward to interacting with all of you. I'm certain that there will be questions. I'm hoping there will be active and constructive discussions. I pray that peace, Shalom, of God descends upon each of you and your household.

I am The Old Watchman, Ezekiel. I have been silent too long. Starting now, the Watchman Speaks! God Bless! Shalom!
